**ORDER**

LEWIS A. KAPLAN, *District Judge*.

The motion of plaintiff and the additional defendant on counterclaims to dismiss Counts IV through XII of the counterclaims is granted to the extent that

1. Counts IX and XI, and any essential facilities or product bundling claims asserted in Counts IV and V, are dismissed.
2. Defendants may move for leave to amend their counterclaims not later than fourteen days after the date of this order.

The motion is denied in all other respects save that Counts VI, VII, VIII and X shall proceed only subject to the limitations set forth in Section III.D of the report and recommendation of Magistrate Judge Ona T Wang (Dkt 132) (the "R&R").

This ruling is made substantially for the reasons set forth in the R&R to which no timely objections have been filed.

SO ORDERED.
